March 15, 2010

Dear Parents,

Thank you very much for returning the sign-up sheet for the School Festival on Saturday, May 15th and Sunday, May 16th. You will be contacted very soon to inform you of what is needed for the event. Again, thank you, in advance, for all you do for St. Emydius School. I look forward to a very successful weekend.

Our annual Science Fair was a great success. Congratulations to students and thanks to parents for working so closely with your children. Thanks, once again, to Ms. Ponce, our junior high science teacher, for guiding, encouraging and leading the students to get the total project ready on time.

The next Family Mass will be on Sunday, March 21, 2010 at 11:00 a.m. Please come and join our school and parish family in celebrating together. It is beautiful to see the school community present and participating in the celebration of the Eucharist.

Our Third Quarter ends on Thursday, April 1, 2010. I encourage you to speak with your child/ren regarding their school progress and, if you feel it necessary for you and your child, please contact your child's teacher.

Sincerely,

Miss Socorro Mendoza
Principal

How can you nurture your child's interest in the past?

- You and your child can learn about your family's history by creating a family tree.
- Share what life was like when you were a child. Interview grandparents about what life was like when they were children.
- Create a scrapbook or photo album and fill it with old family pictures and mementos.
- Preserve tomorrow's memories by journaling or creating a time capsule of the present. Your grandchildren will thank you!
