Letter From the Principal

Dear Parents,

On Friday, September 30, 2011, the teachers participated in a Pearson Professional Development workshop. The workshop helps the teachers use technology as a crossroad to learning. Grades K-6 use the Pearson Scott Foresman Reading Street for California Program.

I will be attending a Customer Service Workshop with the office staff on Thursday, October 6, 2011. Please do not send any payments to the office on this day because no one will be there to write receipts. Someone will only be there to answer the phones and to help with the children.

The first Awards Assembly will be held on Friday, October 7, 2011. The assembly for grades K-4 will begin at 9:00 a.m. and for grades 5-8 at 10:30 a.m. All parents are invited to attend. The assemblies will be held in the auditorium.

On Tuesday, September 27, 2011, St. Emydius School had a special visitor, a former student who graduated in 1961. She was visiting from North Carolina. She had some fond memories of the years she spent at St. Emydius School. She shared with me, and some of the students, a perfect attendance award she received in 1958. She spoke to the students about how lucky they are to be attending St. Emydius School. It has been fifty years since she walked the halls of St. Emydius School, but the Catholic education she received here has left a lasting impression. "A Catholic education is an advantage for life."

Thank you for your support of St. Emydius School.

Sincerely,

Miss Socorro Mendoza
Principal
